## Approval of Budget

Changes- must be edited at a PTA meeting. The edits are to reflect the estimated amount for the fundraiser (\$45,000) to the actual raised funds (\$67,000). Lifetouch changed last year, and the school made money that didn't come in last year. It has now come in for both years \$13,000. The line item for Membership will increase. We have brought in \$10,000 vs. the \$4,000 that was listed. Fall fundraiser -10% to grants-This line item will change from \$4,000 to \$6,700 (actual amount that came in). Special events have increased based on the fun plans this year. Multicultural committee now have allocated funds.
