### Remarks from Mrs. Skelton

He is committed to opening the school back up to parents safely. As of now the plan is for parents to be able to have lunch with their child(ren), volunteers allowed in school and field trips will take place. Our community thrives on the great relationship between the parents and school. The school will be as open as possible, as long as it is safe to do so. COVID cleaning protocols are still in place and will continue to be.

There are currently 1,047 students enrolled at Level Creek Elementary. 8 students are digital this year but they plan to return later in the year. All Level Creek teachers are only teaching in person so their attention is not divided. The school has had two cases of COVID, both due to exposure from a positive family member.

Visitors/room parents are allowed to bring items to classrooms as long as they check-in, wear masks and check with teachers ahead of time. Please be respectful of the teacher's time. Classrooms can celebrate teacher birthdays but

if bringing in classroom treats, the room parent must check for student allergies and all treats must be store bought and individually wrapped.
