## Call to Order

## Welcome

Co-President Montana Mitchell

## Approval of Meeting Minutes from March 11, 2022

Motion to approve by Shellie Edge 2<sup>nd</sup> made by Melanie Hunsaker.

## Remarks from Mrs. Skelton

Thank you to our volunteers. I'm excited about all the events that took place this school year. Next year projections will be sent to share with the community with remarks from our superintendent, Dr. Watts. Remarks include the importance of communication with a blueprint for the future. Diversity within school and a much heavier emphasis on academics. Stressing the importance of making sure students are having a good experience at school. Raise good people.
