Welcome

Remarks from Mr. Skelton

Mr. Skelton shared the 2023-2024 Tentative Staffing Plan based on forecast numbers. We are continuing to grow our student number and are forecasted to have around 1,090 students for 2023-2024. This year, we are at 1,080. We will continue with our current eight specials and will look to add positions to support teachers (around 11). Next step is to receive our points and see how many we are allotted.

Approval of the Minutes from Oct. 21, 2022

Motion to approve by Tracy Dhinsa, second made by Melanie Hunsaker .

Approval of Audit

Motion to approve by Tracy Dhinsa, second made by Lori Griffith.

Treasurer's Report

Because Level Creek parents and families were so generous during this year's fundraiser, the budget was updated to reflect the additional funds. Motion to approve the updated budget by Colette Grodzicki, second made by Shaheda Zaman. The PTA will be able to make playground equipment updates as well as cover end-of-year Kona ice treats for all students (normally parents contribute \$3/student).

Teacher Grant Updates

The PTA was able to fund more than \$9,000 in teacher grants this year due to the generous fundraiser. Grants covered many items needed for the classroom as well as STEM materials and musical instruments.

Future PTA General Meeting Dates

All are scheduled on Fridays at 9:30 a.m. in the cafeteria: remaining meetings are 3/10 and 5/12.
