Let's Create Some DOODLES!

The Yearbook Team needs your help! We need some of your designs and would love to showcase some of your doodles in the yearbook!

In the box below, please draw your favorite doodle. It can be anything! A flower, a dog, a stick figure – anything you want! But before you draw, here are some general guidelines:

- **Anything that is drawn outside the box will NOT be included in the yearbook.**
- **Please use pen or markers in your final drawing. You can use pencil to plan out your doodle, but make sure to go back over it with a marker or pen!**
- **HAVE FUN! You can draw as many things you like – as long as it fits in the box!**
