Mr Skelton was unavailable today and had no update.

The PTA Board is meeting on 01/30/25 to go over the teacher grants.

Treasurer update

The \$14,000 membership goal was surpassed, we actually reached \$18,000.

We spent more on yearbooks this year but this will be offset by the extra funds from membership. Vote on providing further funds to Arts and Education and All Pro Dads by transferring money allocated to the Multicultural Committee. The vote is only making changes to the budget, no deficit..

The Kindness Committee funds were used to pay for books for counselors.

We received a check from Square1 Art to put towards the 20th anniversary tile wall. The budget for the wall was \$8,000 but the actual cost was double. The extra funds to cover the cost came from the Campus Enrichment Fund along with leftover funds from last year.

Money leftover from the Enrichment Fund may be put towards redoing the gaga pit but proposed to wait for summer for this project.

Motion to approve changes to the budget by Jenni Okuda and second by Shaheeda Bridgewater.

VP updates:

- The Science Fair - ended on 01/16/2025 and went well. Mrs Etheridge coordinated the event with parents and students helping with the setup and breakdown. Help is needed recruiting judges and rewards for next year. Mrs Etheridge is unable to lead the Science Fair next year so we need to find a new lead.
