

Yearbook Dedication Form for 5th Grade Students

Student's Name: _____ Teacher: _____

Parent e-mail address: _____

It is time to show your child how much you care by submitting a dedication to be placed in the yearbook! Please write a note to your child to tell them how proud you are of their accomplishments. We accept BOTH electronic (i.e., made on the computer by an app of your choice) as well as hand drawn dedications.

All students MUST turn in their dedications no later than Friday, December 12th, 2025.

Hand Drawn Dedications:

If you choose to write/draw your dedication, please use the three boxes below. The first is a sample. The second is for you to practice. The third is for your final product. We will be scanning this box into the yearbook. **Please use dark colored inks, be creative and use drawings, etc. The more colorful, the better! You may return this form to your child's teacher in an envelope marked "Yearbook Committee". Make a copy of this form before you submit it. You will not receive this back.**

Electronic Dedications:

If you choose to create your dedication electronically, you can email your dedication and your child's name and teacher to levelcreek.yb@gmail.com. The best way to do an electronic dedication is to create and share a Google Slide with us. Please size the slide to Standard 4:3 ratio found under File → Page Setup. This helps us make minor adjustments in sizing more easily.

Keep in mind – we fit 28 to a single page! Do not put too many words or images as it may be difficult to read. Use a large sized font. If you have any questions/concerns, email levelcreek.yb@gmail.com.
