## **Remarks and Q&A with Mr. Skelton**

Mr. Skelton shared that Donuts on the Playground was a success. He was able to briefly meet the new superintendent. He also provided a staffing update for next school year. Level Creek is fully hired for next year. Due to enrollment being approximately 40 students lower, with a projected population of 975, the school had to reduce some part-time staffing. Three of the five part-time positions were reduced. The gifted program will continue, and gifted staffing remains in place.

The Kindergarten program was held today. Fifth grade teachers are completing post-planning and preparing for Friday. PTA will provide lunch for teachers on Thursday.
